THREE BITES BLAYNE

Three bites Blayne
Never finished a meal.

He'd take a bite

Then get upright,

Sitting had no appeal.

Airplane pretending in the sky,

Imagining doing a table flyby

Made mealtime that much better.

Catching a bite in flying weather.

MONDAYS UP

What can one say about Mondays
That hasn't already been said?
The thought of sleeping in
When one has to jump out of bed..
The alarm clock, So unforgiving..
Time to get up and make a living.
Then, daydream about a day off
Sleeping in bed.

THE INQUISITIVE YOUNG LITTLE MIND

Why does “A” come before “B?”

Why does “1” come before “3?”

So many questions..

So much time..

Gosh, I’m glad

You’re all mine.

A bit of joy shining upon some captured moments is sometimes what life is all about.
This book is a compilation of some of those everyday moments in art and poetry.
A little bit of poetic, artful joy can be a wonderful thing.

A NOTE FROM MRS. HART

*I can't thank you enough
I'm so glad you stopped by
to look and to read
and smile and sigh
But this isn't the end
book 2 will bring more
an older generation, this book will be for
It's in the process now of making its way
so until then take care and bless you
is all that I'll say.*

*From My Heart
...to Yours*
